Good Afternoon!

I wanted to let you know what a great job your guys did on our home with pressure cleaning. My husband is a VERY picky person and he was quite pleased with the job they did...all in the pouring down rain all day!

I would like permission to be able to refer you to clients and other agents who might ask for a good painting/pressure cleaning company?

I actually gave your info to my team members this morning.

On occasion we print up refrigerator magnets with companies we have used to give to friends/clients. I would be happy to include you on my next order if you would allow?

Dear staff at Millenium Painting...

Thank you so much for the incredible job you did on painting the exterior of our home!

I admit I was skeptical at first, because the price you gave me was 30% lower than the 4 other estimates I had rec'd. I thought, you get what you pay for, but wow!! I'm so glad I went w Millenium!! Able & crew were terrific, they arrived on time & took great care in covering the windows, screen enclosures & furniture. They were professional & hard working crew who worked diligently & completed the entire job in 1 day, & it looks awesome! Most of our neighbors have come by or called to say they love the color & that the paint job is perfect; I was sure to give them your contact info

If you are considering having your house painted, I would 100% recommend Millenium! If you'd like any more info or input, from someone who did a ton of research & had 4 estimates, & has been thru previous nightmares of home painting; please feel free to contact me.

Many thx for everything

Project: Exterior Home or Structure - Paint or Stain

Comments: The sales guy was polite and to the point, didn't promise us anything we didn't get. They were a day late because the paint sprayer broke but they did call us and let us know. House looks beautiful, very happy with the job, the workers are very accommodating, left the leftover paint. Price was decent, work was excellent. I would use them again.

A representative of the company came out the day after I called for an estimate. I signed the estimate when he was here, and the company called the next day to find out when I wanted the work done. It took a while to choose paint colors and get them approved by the homeowners' association, but one done the painter was out within two days, and finished in three days. All attached fixtures and windows were taped or wrapped, drop cloths were used on all bushes and sidewalks/patios, and there was no cleanup left for us to do.

**Description Of Work:**  
 We had the entire house repainted, including trim work, doors and window frames.

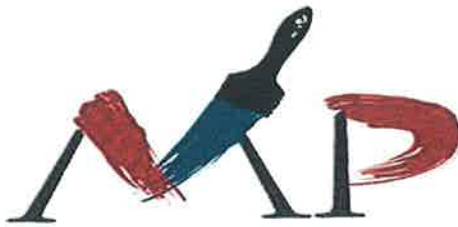

**Member Comments:**  
 This is a fantastic company. I called early in the week to be put on the schedule and work began on that Friday. The painters returned on Saturday and worked all day to finish the entire house. They came back on Monday to finish the hand painting and touch-ups. The workers cleaned up after themselves and were very professional. No deposit was due before work began and payment was required only after we were satisfied with it. I still can't believe it only took two days to make my house look brand new again. This is a company that everyone should use!

Very polite & courteous employees - kept me informed when starting & finished. Worked through the pouring rain. Sprayed extras like outside cement table - looks great now. Roof & sidewalk look great! Put patio furniture back when finished. I would definitely use your services again. One small complaint - employees did not spray driveway under truck where parked. No big deal though.

Thank you!

waited patiently until the office reached me,

Your crew of 3 with Oscar as foreman were very accomidating and very polite. They were very hard workers and they did not leave until I was completely satisfied with the job.

I ordered "Special 6" and received \$15 off because I ordered on the website.

I have done various contracts with the company and always the jobs have been performed to my satisfaction professionally, and efficient.

The price is competitive and the customer service that Juan provides is outstanding.

I am looking forward, long years of doing business with them, and normally refer this company to family and friends.

Both Oscar + Chilo were here on time. We had been told they would be here between 9 + 10 a.m. they arrived at 9:15 ready to go + by 9:30 the pressure cleaning had started. The two of them seemed to work in perfect harmony, were very polite and accomodating, friendly courteous and overall a pleasure to deal with. The work was done smoothly and efficiently and we couldn't have been more pleased. You have a great pair of workers in Oscar + Chilo.  
Sincerely, Rosa Eberx
